Vision Statement

Guided by our Christian Values, we endeavour to inspire, cherish and serve our school community. We strive to be exceptional in all we do. We will nurture a love of all God's children. We seek to build respect for all faiths and beliefs.

'Serve one another in love' (Galatians 5.13)

Mission Statement

Together we value, inspire and develop each other within a happy, safe community based on Christian values and respect for other faiths.

'Show respect to everyone' (Peter 1 2.17)

Dear Parent/ Carer,

Celebrating Reading Day

Although we will not be observing World Book Day in school we will be celebrating Reading throughout the week beginning Monday 23rd March. There will be opportunities for children to share their favourite words, characters, stories and poems and we plan to have mystery readers into classes to share stories. All children will have been given a special book token to take home so that they can swap it for one of the twelve exclusive, new and completely FREE World Book Day books.

Alternatively, the tokens can be used to get £1 off any full price book instead.

Book tokens can be redeemed anytime between Thursday 27th February until Sunday 29th March at participating bookshops.

All major supermarkets including Asda, Tesco, Morrisons, Sainsbury's, Marks & Spencer and most large bookshop chains – WH Smith, Waterstones etc. will accept the book tokens. Tokens can only be used at participating bookshops and not online.

British Science Week

Children will be celebrating science in school over the course of next week as it is British Science week across the nation. There will be additional Science learning opportunities allowing the children to go into greater depth of the subject.

Science doesn't only need to take place in the classroom, have a look at the website below for ideas for activities and further learning at home.

Health Advice

The recent outbreak of the Coronavirus has been one of the main focal points in the national news and a local school has been closed to prevent spreading any possible outbreak.

If you or anyone you know are in need of information about this, please visit the school website homepage. The noticeboard, on the homepage, displays a link that will provide advice given by the government.
