

Physical Activity

Go for a walk and explore a new place. Take a photo and send it in to your child's class teacher.

Design a meal that you could take with you on your adventure to a new place.

Personal, Social and Emotional Development

This term Reception class will be learning to listen to others and compromise.

Perhaps you could play a board game at home, remembering to take turns and listen to the rules of the game.

Communication & Language

Find out how to make ice cubes. What happens when they get warm?

Talk to your family about what you have found out.

Literacy

This half term we are reading the book: "Whatever Next."
You can listen to the story on YouTube:

<https://www.youtube.com/watch?v=6c5cb0u0rPM>

Visit your local library and find some books on explorers.
Take a photo of your visit or bring the book into school.

Reception Autumn 2 Topic Homework

[Me and My World](#)

Maths

We count every day at school. Can you practise counting forwards and then backwards from 20.

We have been using Number blocks to help us learn a number a week and looked at different ways of using each number.

There are lots of fun videos on youtube to help you count!

<https://www.youtube.com/watch?v=0XCDAgg9BoA>

Understanding the World

Go outside and record the different animals you find and where you found them. Make an observational drawing of the animal. Can you describe the animal's habitat?

Look at different places around the World. Can you find England on the map? Where is America? Can you find India and Pakistan? Which countries are hot and which countries are cold?

Expressive Arts & Design

Astronauts explore space! Can you create a rocket or spaceship, perhaps you could use recycled junk box materials.

Can you create a space collage? Use scrap paper, foil, sweet wrappers and other junk materials around the house to create a collage of the planets of the solar system!
